This Limited Warranty is an Exhibit to and part of the New Home Purchase and Sale Agreement ("Agreement") dated this _____ day of _____, 20____ between _____ (Buyer") and _____ ("Seller") for the purchase of the property ("Property") described in the Agreement:_____.

1. **LIMITED WARRANTY.** The Seller agrees that, for the term of this Limited Warranty, the Seller will comply with the "builder" responsibilities as set forth in the Greater Atlanta Home Builders Association's Homeowner Handbook, current edition ("Handbook") subject to the terms and conditions of this Limited Warranty and the Handbook and will otherwise conform to the Construction Standards of the Agreement.
2. **TERM.** The term of this Limited Warranty ("Warranty Term") is one (1) year commencing on the date of closing of the purchase of the Property by the Buyer or the date of occupancy, whichever occurs first, except for the items in the Handbook that are only warranted to meet a standard on the date of closing. This Limited Warranty shall become effective from and after the closing.
3. **NOTICE TO SELLER.** In the event of the occurrence of a problem as to which the Seller has responsibility, the Buyer must provide written notice of such problem to the Seller. The notice must be given in the manner required by the Agreement for notices. The notice must specify the problem in detail and must be given to the Seller within the Warranty Term. The Seller shall not be responsible for problems as to which a required, timely notice has not been given. The Buyer shall permit the Seller or its agents, employees or contractors reasonable access to the Property during normal business hours (Monday Friday, 9:00 a.m. - 5:00 p.m.) to inspect or perform work required under this Limited Warranty.
4. **EXCLUSIONS.** Excluded from this Limited Warranty are the Following:
 - a. Any item for which the Seller is not responsible under the Construction Standards;
 - b. Bodily or personal injury of any kind;
 - c. Mental and emotional pain and suffering;
 - d. Loss or damage of personal property

Warranty

- i. Attorney's fees, expert's fees, and expenses of the Buyer;
- j. Loss or damage caused by external forces, such as acts of God, windstorm, fire, explosion, smoke, water, hail, lightning, falling trees, flood, earthquakes, radon or other gases, pollution, toxic substances, civil disturbance, changes in the level of the underground water table which are not reasonably foreseeable at the time of construction, or criminal acts of a third party;
- k. Any loss, damage, defect, cost or expense which is caused by an occurrence for which compensation is provided by state legislation or which is covered by insurance of the Buyer;
- l. Any loss or damage by insects or vermin;
- m. Any loss or damage arising while the property is being used primarily for nonresidential purposes or from the Property being used for nonresidential purposes;
- n. Cost of shelter, transportation, food, moving, storage, or other incidental expenses related to relocation during repair, or any other cost or damages relating to loss of use, inconveniences, or annoyance;
- o. Normal wear and tear, normal deterioration, or normal changes that are the result of characteristics common to the materials used;
- p. Loss or damage resulting from the Buyer's failure to comply with warranty requirements of manufacturers;

5. **OTHER RIGHTS.** This Limited Warranty is in addition to any rights that the Buyers may have under state, federal and local laws, including but not limited to rights under applicable governmental codes, regulations or ordinances.
6. **OPTIONS AVAILABLE TO SELLER.** In lieu of repairing any problem covered by the Limited Warranty, the Seller shall have the option of replacing such item or paying reasonable sums to the Buyer with which to have such problem addressed by the Buyer or third party. Unless a problem constitutes an emergency or additional material damage would result from delay in addressing such problem, the Seller has the option of waiting to address all or several problems at once or in groups.
