## ABOUT US

---

Founded in 2002, Macallan Construction is a versatile general contractor that is known for seamlessly executing complex projects in occupied environments. Based in Atlanta, Macallan takes pride in its ability to tailor custom solutions to meet the challenging and diverse needs of our clients. We were founded by principals that were able to bring together their complementary skills to form a diversified company with the ability and experience not typically found in a commercial general contractor our size. By integrating all aspects of the construction industry, Macallan can execute the most challenging construction projects and deliver the highest quality end-product for the best possible price.

Macallan's management team comes from diverse backgrounds in real estate development, engineering, and general contracting, providing a unique perspective on the needs of our clients. Our goal is to provide value added services to our clients with integrity and professionalism. Macallan's field personnel are some of the most experienced and professional in the southeastern United States.

*At the end of the day, this is a service business and you deserve a partner committed to excellence.*

We believe strongly in a team approach and provide transparency to our clients. You should expect projects to be delivered on time, on budget and with the highest quality. It is equally important to Macallan that our clients enjoy the experience of building with us.

Our areas of expertise include: retail/restaurant, assisted living, interiors, historic restoration, higher education, community clubhouses, medical office, parks and recreation as well as religious and non-profit projects.

## TEAM LEADERSHIP

---

**CHRISTIAN F. JACOBSEN, LEED AP**  
Vice President

---

Jacobsen has over 25 years of Project Management experience in the construction industry with extensive Corporate, Institutional, Healthcare, Hospitality, Mission Critical, Retail and Municipal project portfolios as well as experience managing large, complex multi-use projects.

Christian began his career at Hardin Construction and has been extremely successful in managing and developing project teams for Turner Construction, DPR, Winter Construction and Balfour Beatty. Most recently, Christian developed a stronger appreciation for the Owner's side of business having worked as an Owner's representative for Gleeds USA.

In his role at Macallan, Christian fosters an environment of teamwork and ensures that strategy is clearly defined while overseeing performance and maintaining morale. His strong communication and client service skills enhance Macallan's process driven management philosophy.

**CHRISTIAN DAVIS**  
Director of Preconstruction

---

Davis is an accomplished commercial and industrial preconstruction professional with over fourteen years experience in preconstruction tasks from conceptual design through construction documents. His strengths include schematic through final design development, negotiated/hard bid estimating, operational planning, resource scheduling and value management.

Christian offers immense expertise in various delivery methods including Design-Build, Hard Bid, and CM at Risk across a diverse portfolio of commercial and industrial projects.

**BILL TRACY, STS**  
General Superintendent

---

Tracy is responsible for coordinating all aspects of project completion in a timely and cost effective manner, as well as enforcing all safety and quality control policies and procedures as they apply to the project. His major strengths are his communication skills and positive attitude with owners and design professionals. This allows the team to make informed decisions in a timely manner to keep the project heading in the right direction. Bill's ability to make sure that the user agency has input in the function of the space, while keeping with the design intent has won over return clients.

Tracy's 18 years of construction experience has led to successes of four higher education/GSFIC projects in Georgia. He is experienced in constructing classrooms and buildings with the latest in "smart" technology/AV equipment. As a Safety Trained Supervisor, he brings expertise in leading team's to zero harm on his projects.

**RELIGIOUS & NON-PROFIT**

## ROAM INNOVATIVE WORKSPACE

ATLANTA, GEORGIA

Renovation of a highly creative open class A office space, including collaborative work areas, garage style training rooms, cafe and several other conference and networking space. This project has high end finishes of walnut millwork, specialty light fixtures, garage doors, feature windows, bi-fold doors, large areas of write and wipe surfaces, large scale graphics, frosted windows and the latest IT project and networking systems.

## GEORGIA STATE UNIVERSITY

ATLANTA, GEORGIA

Renovation at the former Turner Field stadium included a complete demolition of former Atlanta Braves operations space.

New buildout includes a 150-seat tiered meeting space, a 50-seat tiered meeting space, multiple smaller meeting/conference rooms, offices, locker room, and showers.

## GARDEN & GUN CLUB

ATLANTA, GEORGIA

The Garden & Gun Club located at The Battery Atlanta, is the first restaurant and cocktail bar for the Charleston-based Southern lifestyle magazine, Garden & Gun.

The 1,780-square-foot Garden & Gun Club restaurant is sleek, polished, and mixed with antique and traditional elements like a China cupboard and sculptures from around the South throughout the space—a familiar aesthetic to fans of the magazine.

## ALPHARETTA ARTS CENTER

ALPHARETTA, GEORGIA

A former Fulton County Library branch, The new Alpharetta Arts Center includes multiple studios for the visual arts, as well as studios for clay, digital media and a black-box theater. The 10,000 SF space houses gallery exhibits, cultural arts classes, programs, lectures and intimate performances.

## 25 PARK PLACE

ATLANTA, GEORGIA

Renovation of the plaza at 25 Park Place for Georgia State University included: (17) 7'x3' cast-in-place concrete planters, wrapped with custom backlit 3Form panels, new landscaping and irrigation, site furnishings including tables, chairs, benches, bike racks, and trash receptacles

The project was completed while maintaining building access via the plaza.

## DISCOVERY VILLAGE

SUWANEE, GEORGIA

New construction of a 20,000 SF two-story, 24-unit independent living building, and a 6,800 SF renovation of the Bistro for Discovery Village of Sugarloaf in Suwanee, Georgia.

## 755 MARIETTA STREET ATLANTA, GEORGIA

Demolition and renovation of adapted reuse of 12,276 SF warehouse space into a creative office, training and team collaborative space for the Finance and Human Resource departments of Georgia Institute of Technology.

## ABOUT US

---

Macallan Capital's principals have over 100 years of combined experience in residential and commercial development. Over that time, we have been responsible for the acquisition, entitlement, planning, marketing and development of more than 5,000 single family residential lots across North Georgia, as well as several office buildings across the southeast.

We have the creativity, skills and expertise to take any development from start to finish, while maximizing the value of the real estate.

Whether acting as a partner or fee developer, typical responsibilities include, but are not limited to:

- Project specific market and feasibility study
- Full entitlement, including zoning and infrastructure improvements
- Project dynamics and financial modeling
- Conceptual design and land planning
- Full due diligence review, including surveying and soils studies
- Development cost analysis and project timeline
- Project management and onsite construction management
- All facets of sales and marketing, including pre-leasing and/or parcel sales

## RANDALL MILL

ATLANTA, GEORGIA

Randall Mill Way is an enclave of five pristine one-acre custom home sites accessible from a new cul-de-sac off of Randall Mill Road.

Architect: T.S. Adams Studio

- Lot 1 | Closed - New Home
- Lot 2 | Closed - Custom Home Under Construction
- Lot 3 | Custom Home Site - Available
- Lot 4 | Closed - New Home
- Lot 5 | Custom Home Site - Available

## 2525 PARK CENTRAL BOULEVARD DECATUR, GEORGIA

Purchased 51,192 SF industrial/flex building and managed renovations.

- Tenant moved in April, 2016 / 100% leased to Malone Design/Build for 10 years
- Macallan Real Estate negotiated building purchase and tenant lease
- Investment opportunity arose out of Garrison sale to Malone
- Sold in October 2017

## RILMAN ROAD

ATLANTA, GEORGIA

Rilman Road Development is a 4.46-acre site that features 5 street-front lots. The plot has been fully approved for the 5 lots by the City of Atlanta. All utilities and sidewalks are in place.

The lots average 9/10ths of an acre each and all are at or above street level.

## LAND INVESTMENTS

ATLANTA, GEORGIA

- 5 Acres located in the west side of Atlanta in path of progress - Buy and Hold
- 34 Acres of partially developed townhome tracts on Buffington Road - Sold
- 43.5 Acres/238 lot residential development on Buffington Road - Sold

## ABOUT US

---

Macallan Custom Homes is a full-service residential building firm dedicated to enhancing the lifestyle of our clients. Macallan offers the perfect blend of project planning, customer service and quality construction.

Whether building a large-scale custom home or handling an intimate remodel project, the Macallan team relies on a streamlined project management process developed to ensure that each project is completed on time and on budget.

Over the past decade, Macallan Custom Homes has established itself as an elite, award-winning builder and is proud to have been named top residential remodeling contractor by the Atlanta Business Chronicle for the past five years.

Macallan takes pride in its ability to tailor custom solutions to meet the challenging and diverse needs of our clients. We know the market and know the product that discerning buyers are seeking in a new custom home.

We bring the client's vision to reality by working closely with them throughout every step of the process including architectural planning, budgeting, and interior selections. We pride ourselves on developing personal and long lasting relationships with our clients and are known for honesty and attention to detail throughout the construction process.

*Our reputation depends on it.*

# BRAEMAR PARTNERS

## ABOUT US

---

Braemar Partners focuses on senior living opportunities in well-positioned markets across the country. Our success in developing senior living is due to our hands-on approach. We believe in utilizing impactful architectural and interior design to provide an exceptional product not found in the market. Our ability to understand the market demographics and competition has proven invaluable to our success.

The leadership and personnel of the firm provide the ability to develop, execute and manage high quality senior living investments on behalf of third parties. Braemar provides turnkey development services including, but not limited to, site selection, entitlement, design and development to final certificate of occupancy. We utilize our diverse strengths to help mitigate risk for both short term and long term investors who require a strong development partner.

Braemar Partners focuses on investing in both new and pre-existing senior living assets. Our partners have successfully repositioned existing assets by evaluating and creating plans that bolster the physical condition and operation of the property. We have strong relationships with both debt and equity providers that allow us to execute the vision for both new and acquired investments.

*We allow you the ability to focus on your core business...*
